WHO ARE WE?

Horizons Community Legal Centre (**Horizons CLC**) has been operating in northern Sydney since 2005, and in southern Sydney since 2009.

Horizons CLC is run by Waybridge Ministries Inc, a not-for-profit Christian mission organisation and charity.

Steve Frost is retained by Horizons CLC as its Principal. Steve is an experienced solicitor and is also trained as a conflict coach and mediator.

Diana van Breda works with Horizons CLC as an advocate and client liaison.

WHAT DO WE DO?

Horizons CLC can help identify whether you have a legal problem and discuss how to solve it.

In some circumstances, we can provide ongoing advice, advocacy and court representation.

If ongoing help is needed and we are unable to provide it, we will try to connect you with another lawyer or organisation who may be able to help.

WHO CAN WE HELP?

We serve people who:

- Don't qualify for Legal Aid & can't afford a private lawyer.
- Have cases that are in the public interest.
- Have a special need because of the type of legal problem they are facing.
- Are significantly disadvantaged.

WHAT DOES IT COST?

There is no cost for any initial discussion with us by telephone regardless of duration.

If you request ongoing help from Horizons CLC, some non-profit charges apply. You will be given full details of these charges before we start doing any work. You will also need to pay any expenses involved in doing the work (for example court filing fees, photocopying charges, travel costs, etc).

Horizons CLC will consider applications to waive or reduce our standard costs if your financial situation requires it. Please let us know if this is a concern to you.

HOW DO WE HELP?

■ Help for individuals

Telephone advice for clients is available:

- **1.30pm to 4:30pm Tuesdays;** and
- **9.30am to 12:30pm Fridays.**

Call: (02) 9679 0969

Face to face conferences are available at our Sydney North and Sydney South advice clinics, by appointment only.

Legal advice is not available by email.

■ Help for community service workers

Telephone advice is available to community service workers at any time, subject to our availability to take the call.

If a community service worker is assisting a client in circumstances of particular urgency we will accept 'warm referrals' outside normal advice times. Potential warm referrals must be initiated by the community service worker involved.

■ Community Legal Seminars

Horizons CLC conducts community legal seminars from time to time. Please check our website for more information on upcoming seminars.
